**REHAB
EQUIPMENT,
TAILORED
FOR YOUR
LIFE.**

ABOUT US

Active Rehab is a family-run and owned business; with a passionate team of individuals who are committed to enhancing the lives of those with disabilities. We do this by providing AT equipment for children and adults throughout Victoria and beyond. Therapists and families come to Active Rehab when seeking professional problem solvers who will achieve customised solutions of the highest quality. We genuinely care for our clients, and are inspired by the impact we can have in enabling them to live life to their fullest.

We believe your time is precious, and with over 30 years experience in the industry Active Rehab has the widest range of products from the world's best manufacturers and the expertise to tailor an ideal solution for every client.

MEET SOME OF THE *dedicated* TEAM:

GET IN CONTACT:

We offer free trials and demonstrations of our vast range of products, and will travel throughout most of Victoria and into lower NSW to see you and discuss the options and products we have available.

More product information on what we offer can be found on our website: activererehab.net.au

Wanting to book in a trial?... Please call our office on **03 - 5441 8966** to speak to one of our friendly team members, or send an email through our website by filling out the appointment booking page. If you are a client, or carer of a client, please get in contact with your preferred therapist, as we like to have a therapist at appointments to help with positioning and seating.

Active Rehab Hire provides flexible access to assistive technology

when it's needed most

Having access to the right equipment at the right time can be life-changing. We offer both short and long-term hire options to suit our clients' needs.

Hiring equipment can provide access to products that may be otherwise inaccessible.

Hire also gives clients the opportunity to trial equipment in everyday life and gather valuable evidence to support future funding applications.

OUR COMMITMENT YOUR *journey*

With an extensive range of customisable assistive technology, we understand that every person's needs, goals and lifestyle are unique. Our experienced team brings knowledge, expertise and a personalised approach directly to our clients, offering convenient in-home equipment trials, interactive consultations and precise measurements to help identify the most suitable solutions.

Working collaboratively with clients, therapists, families and healthcare professionals, we ensure equipment is carefully selected, measured and tailored to individual requirements.

Supported by our dedicated in-house workshop, we can customise and adapt equipment to achieve the right fit, function and comfort, making access to specialised assistive technology easier and more convenient.

From metropolitan Melbourne to regional Victoria and beyond, our team is committed to delivering expert guidance and hands-on support wherever it is needed. Combining extensive industry experience, innovative products from leading global manufacturers and a strong team approach, we support every stage of the journey — from initial consultation and assessment through to equipment trials, customisation, hire and ongoing support.

At Active Rehab, we bring our expertise to you, helping make the right equipment more accessible, personalised and practical.

Our purpose is simple - to help people access the right equipment, overcome barriers and **LIVE LIFE** with greater independence, confidence and freedom.
