Safety first

The anchor provides a carefree bathing experience for children and caregivers alike. Safety and comfort is a priority so children look forward to bath time. The anchor was designed knowing all children have unique needs and constantly changing. That's why you can make angle and height adjustments with one hand on either side of the chair, all whilst the child is seated. It is also depth adjustable allowing for growth and long-term use. These agile and individualized functionalities ensure longevity, comfort, and hassle free bath time so every bubble counts.
