**I am your seating aid for everyday use.**

I promote active sitting and support your development. The great thing is whatever size you are, I will grow with you! You can simply adjust my seat and footplate up or down so that you can sit comfortably at the table with your big brother or sister. I have been manufactured with loving attention to detail using wood so I suit the other furniture in your home perfectly! With my many accessories, I can easily be adapted to suit your individual requirements.

Height adjustment made easy!
Simply press the button and the seat and footplate can be moved up or down.

Toolless angle adjustment!
The seat angle can be adjusted by turning the twist grip.

**You decide how I should look.
Combine my frame in anthracite, natural
beech or white stain with a selection of
great colours for the covers!**
